

# **Volunteer Opportunities at Arts Umbrella!**

**Do you have free time and could help with fundraising, skirt sewing, mailings and other activities at Arts Umbrella?**

## **WE NEED YOU!**

Arts Umbrella, as a non-profit organization, relies on parents and community members like you to share their time with Arts Umbrella. Without your assistance, we would be unable to complete the many and varied tasks necessary to fulfill our mission and enable our organization to continue providing quality performing arts education to your students.

Please take a few moments to look over some of the opportunities available during this season. Then let us know how you can help by simply checking the box next to where you would like to help and **returning this form with the registration forms in this packet.**

**For more information, please contact Amanda Wold at:
