2009-2010 Program Guide

Arts Umbrella PO Box 5666 Eugene, OR 97405
www.artsumbrellausa.org

What is Arts Umbrella?

The organization known today as Arts Umbrella (AU) was created in 1934 when its founders realized that in order to build an adult symphony orchestra we must first train our youth.

Now in its 76th Season, Arts Umbrella is still a cornerstone of local youth music programs in Lane County, Oregon.

With a mission to provide high-quality arts education opportunities to all children, Arts Umbrella provides at least 15 percent of its students with fee waivers annually. AU also works cooperatively with public schools to create and maintain quality arts education in our area.

Arts Umbrella has grown from a small organization with one youth orchestra to a multi-faceted organization with four levels of youth orchestras, a beginning strings program, chamber groups, and summer camps in musical theater, band, jazz, and strings. The organization serves more than 500 youth annually, many from low-income families.
